D.O.No.417/books. Office of the Comptroller in Mysore,
Bangalore, dated 23rd August 1919.

Dear Sir,

With reference to your D. O. letter No.Fl.1348 dated 20th August 1919 enquiring if the fall under Cauvery Power Scheme is due to rise in Exchange, I write to state that the Budget Estimate of Cauvery Power Scheme Gross Receipts including share transferable to Krishnaraja Sagara Works is - R.24,80,000/- + 5,00,000/- or 29,80,000/- and not 24,80, as mentioned in your letter. This figure 29,80 cannot therefore be compared with 20,05 in the Rev. Statistics which represent the net Revenue after deducting working expenses but including share of revenue transferable to Krishnaraja Sagara Works. The figure in the Budget Estimate corresponding to 20,05 in the Rev. Statistics is 20,68 shown in the last column of the Rev. Statistics.

2. The comparison between 20,68 in the Budget Estimate and 20,05 in the Statistics does not show any variation in the aggregate. But in the details there are some differences, because the figure in the Preliminary Account does not include the deduction on account of depreciation chargeable to

Revenue

Revenue and transferable to the depreciation ~~Revenue~~ Reserve whereas the Budget Estimate does.

3. If a deduction of 3.87 as anticipated is deducted from the Preliminary Account figure on account of depreciation charges, the net receipts will then amount to 16,18 which compared with the Budget Estimate of 20,68 shows a fall of 4,50. A sum of Rs 2,38 out of this is due to the rise in Exchange and the balance to increase in working expenses.

Yours Sincerely;

T. Satyaraj Urs
